Sikaflex 11FC / Alcoflex PU must be used with all Kwela variable products. Sikaflex 11FC 300ml / Alcoflex PU 280ml come in concrete grey, black and white; the 600ml in concrete grey only. A deep seal (polyurethane) must be applied after installation on all Kwela products.

KWELA STANDARD COLOURS · ENDLESS OPTIONS, PERFECTLY COORDINATED

Please refer to actual samples in the showroom. Printed colours are indicative only.

DISCLAIMER

If in any doubt on how to install, do not install the product. Contact your stockist for assistance or visit www.kwelatiles.co.za for more information and guides. Once the products are installed, no refunds, credits or returns can be entertained. Whilst Kwela Tiles endeavours to ensure that any advice, recommendation or information is accurate and correct, the company cannot, because Kwela has no direct or continuous control over where and how Kwela products are applied, accept any liability either directly or indirectly arising from the use of Kwela products, whether or not in accordance with any advice, specification, recommendation or information given by the company.

INSTALLATION INFORMATION

01 Kwela® Tiles products must be stored indoors, flat and on a level surface in a cool, dry environment prior to installation.

02 Sikaflex 11FC / Alcoflex PU to be used as both adhesive and grout (5mm) with all Kwela Tiles variable lengths.

03 Mosaic Fix to be used for all mosaics.

04 A polyurethane sealant must be applied on all Kwela Tiles products after installation.

05 Care must be taken not to damage, scratch, stain or mark Kwela Tiles products, as full curing only occurs after 14 days.

06 No Grout Off, abrasive materials or harsh chemicals to be used for cleaning Kwela® Tiles products.

07 Installation guidelines are supplied with all packaging and must be adhered to.

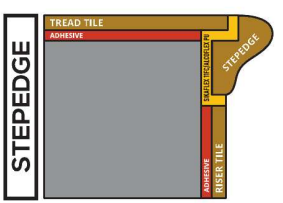

HANDMADE PRODUCTS

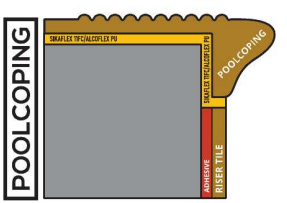

Kwela Tiles products are **handmade**, cast in resin, marble dust, pigments, sand and oxides with a **porosity of 0.27%** (CSIR tested). Slight shading and colour variation is a **natural feature** of the products. Visit your nearest Kwela Tiles merchant for actual colour samples. **New batches may differ — order sufficient quantities.**

INSTALLATION & SEALANT

Sikaflex 11FC / Alcoflex PU must be used as adhesive as well as grout / expansion joint on all Kwela products. Mosaic Fix to be used with pebbles, stones, roundies and squares.

ABOUT KWELA

The establishment of Kwela Tile Designs (Pty) Ltd in 2002 was inspired by the desire to create a product of timeless beauty — individually crafted by hand, creating uniqueness to be experienced by people who cherish the beauty of their living space.

Kwela® Tiles is the proud manufacturer and wholesaler of individually handmade pool copings, LED copings, steptiles, pebbles & stones, mosaics, trims & skirtings, bullnose steptiles, bullnose flatbacks, roundies, listellos and water holds. Our products are aged to create a timeless effect and will therefore never be fashion bound. Our dynamic growth, designs and supreme quality have ensured a proud place in major shopping centres and hotels as well as fine homes.

COLOUR · CONDITIONS · DISCLAIMER

- As colour consistency may differ from batch to batch, please ensure that you place your order in full.
- No guarantees on colour matching from one batch to another. Order sufficient quantities. Slight variation may occur between sample and orders received, as veining and mottled effects will always vary in intensity and coverage. All flames and mottled effects are random and will show variations in intensity.
- One colour may appear differently on smooth and carved ranges. Apart from the standard colours, other colours can be created to suit your specific need.
- Colour matching must be approved and signed for prior to commencing production. No claims will be considered once Kwela products have been installed (fixed). Please consult our website for installation instructions. Limited warranty on dark colours if not sealed properly.
- Please follow our recommended fitting instructions. If in doubt, do not install.
- All products are handmade and thus subject to size and colour variation. There will be shade variations in different batches.
- For technical advice, visit www.kwelatiles.co.za. All products and designs are copyrighted by Kwela Tiles.
